

# Why Choose Massey Drugs for Compounding?

Massey Drugs provides high-quality, customized medications tailored to individual patient needs. We work closely with physicians to develop effective treatment plans, ensuring precise dosing, alternative formulations, and allergen-free solutions.

- **Customized Compounded Medications** – Tailored treatments when commercial drugs don't meet patient needs
- **Precision Dosages** – Strength and formulations designed for the individual
- **Alternative Forms** – Capsules, creams, liquids, injections, and more
- **Allergen-Free Options** – Free from dyes, gluten, lactose, and preservatives
- **Custom Flavoring** – Improves adherence for children and pets
- **Fast, Reliable Service** – 24-48 hour turnaround for compounded prescriptions
- **Pharmaceutical Expertise** – Skilled pharmacists and technicians bring a wealth of knowledge to every prescription
- **Collaborative Care** – Expert pharmacists available for consults
- **Insurance Accepted** – We work with all major insurance providers

## Simple Ordering & Fast Shipping

### How It Works:

1. **Prescribe** – Submit prescriptions via fax or phone
2. **We Support Your Patients** – Follow-ups ensure adherence and patient success.
3. **We Compound & Ship** – Medications are prepared with precision and delivered within 24-48 hours FREE of charge.
